DESIGN

The **ATO – ALPINE TERRAIN OPERATIONS™ LIGHTWEIGHT OVERWHITE PANT** offers quick alpine concealment in a highly packable, lightweight design. Constructed from a durable and water-resistant nylon shell, it features hip pass-through pockets for access to underlayers. Full length outseam zippers allow for quick donning and doffing when transitioning between environments. Oversized cargo pockets accommodate essential cold weather gear and zippered thigh vents provide airflow as needed to prevent overheating. Designed to be layered over baselayer, uniform and outerwear bottoms. Made in the US from US materials.
