

LVS™ SIDE PANEL SETS

OPERATOR'S MANUAL

This manual must be carefully read by all persons who have or will have the responsibility for using or maintaining this product. Failure to use and maintain the product according to its instructions may result in the product failing to perform as designed, and/or the persons relying on this vest sustaining serious personal injury and/or death.

Any warranties made by Crye Precision LLC with respect to this product are voided if the product is not used and maintained in accordance with the instructions in this manual. For any questions relative to the use or repair of this product, please write Crye Precision LLC or call 1-718-246-3838 during regular business hours.

WARNINGS

The following are general safety warnings intended to call attention to fundamental performance limitations and areas of the vest where proper usage must be followed. Failure to adhere to the below instructions and warnings could result in serious personal injury or death to the wearer.

- This armor panel is designed to protect the wearer only against the ballistic threat level stated. It is not intended to protect against rifle fire or sharp edged or pointed instruments. Refer to the label on the armor panel for ballistic threat level
- This armor panel is not intended to protect against impacts that occur within 1-inch of any peripheral edges
- All replacement parts should be acquired from Crye Precision LLC or a licensed distributor.
- The most current version of this manual may be found at www.cryeprecision.com
- Inspect the armor panel before and after each use. Do not alter the vest armor panel in any way.

The LVS™ 6x6 Side Panel Set, and 6x9 Side Panel Set add 6 and 9 more inches of ballistic coverage to the side of the LVS™ vest, respectively. Wear with the LVS™ base vest or insert into a Side Armor Carrier for use with any of the various LVS™ covers. Made in the US from US materials.

03 OPTIONAL SIDE ARMOR

01

To attach side armor, slide the straps through the appropriate slots on the side armor.

02

If more overlap is desired the front or rear slot on the side armor can be skipped. Side armor should overlap **UNDER** the **FRONT** vest panel and **OVER** the **REAR** vest panel.

WARRANTY

If a defect in materials or workmanship is found in any of our products, we will repair or replace it, free of charge, for the lifetime of the product. This excludes normal wear and tear. Be aware that the customer is responsible for any and all return shipping charges. This applies to the original purchaser and is nontransferable.

BODY ARMOR

It is against Federal Law for a person convicted of a violent felony to purchase or possess body armor. In addition, various states also have laws restricting the purchase or possession of body armor by persons convicted of certain felonies, other crimes of violence, or drug crimes. By purchasing body armor, you acknowledge and certify that (i) you have no felony convictions, (ii) you have not been convicted of any other crime that would restrict your ability to purchase or possess body armor under any Federal or State law, (iii) you do not intend to use the body armor for any criminal purpose and (iv) you are over 18 years old. Crye Precision LLC reserves the right, in its sole discretion, to refuse to sell body armor to any person. Additionally, the sale of body armor to residents of Connecticut is restricted to in-person sales, unless the sale is made to certain law enforcement or military personnel. We require that all orders of body armor be accompanied by a government issued photo identification.
