

LVS™ COVERT COVER (MAG POUCH)

CRYE PRECISION™

LVS-CVB

DESIGN

The LVS™ Covert Cover with integrated mag pouch gives you multiple color options for your LVS™ base vest, allows for easy laundering, carries up to 3 5.56 rifle mags and can accept rifle plates- all while still being extremely low profile. For the most stable and adjustable plate integration we suggest adding the LVS™ Plate holder inside the cover. This cover is best paired with concealable plates. Plates over 3/4" thick are not recommended. Made in the US from US materials.
