- 9. Internal mesh divider separates front compartment and main compartment
- 10. Convenient briefcase style side handle
- 11. Removable sternum strap
- 12. Removable 3D formed frame sheet

DESIGN

The EXP 1500™ PACK is a sleek low-profile pack that is highly adaptable to support the changing demands of your day or mission. It can quickly expand to add 500 cubic inches of extra volume. It can also extend to carry items up to 27" long. The EXP 1500™ PACK is designed to have a clean uncluttered appearance with no outwardly glaring military features, blending well into urban environments as an everyday use bag while still offering maximum tactical utility. H: 18.75" (27.75" Extended) W: 12.5" D: 7.25" (11" Expanded) Made in US from US materials.
