

MODULAR TRAP ARMOR SET OPERATOR'S MANUAL

This manual must be carefully read by all persons who have or will have the responsibility for using or maintaining this product.

Any warranties made by Crye Precision LLC with respect to this product are voided if the product is not used and maintained in accordance with the instructions in this manual. For any questions relative to the use or repair of this product, please write Crye Precision LLC or call **1-718-246-3838** during regular business hours.

⚠ WARNING

The following are general safety warnings intended to call attention to fundamental performance limitations and areas of the product where proper usage must be followed. Failure to use and maintain the product according to the instructions and warnings contained herein may result in the product failing to perform as designed, and/or the persons relying on this product sustaining serious personal injury and/or death.

- Ballistic inserts that show no signs of damage must be replaced 5 years from date of purchase.
- This product is designed to protect the wearer only against the ballistic threat level stated in the product manual. It is not intended to protect against rifle fire or sharp edged or pointed instruments unless specified on the armor.
- Ballistic resistant regions are not intended to protect the wearer from projectiles that hit less than 1 inch from any edge of the ballistic resistant regions.
- Exposure of the internal ballistic materials to water, chemicals, or sunlight will reduce the effectiveness of the armor.
- Holes or cuts in the product may be indicative of damage to ballistic inserts. Inspect and replace damaged ballistic inserts immediately.
- DO NOT use this product except in its intended manner.
- Check the product for conditions that could prevent the operation of emergency-doff systems. Carefully adhere to assembly instructions in this manual.
- This product is not flame resistant unless specified elsewhere in this manual.
- DO NOT machine wash or dry clean the product. Exposure to detergents, bleach, or solvents may result in degradation and reduce the effectiveness of the product.
- Inspect the product for discoloration, cuts, tears, abrasions or cracks before and after each use.
- DO NOT alter the product in any way.
- DO NOT expose the product to open flame or excessive heat.
- All replacement parts must be acquired from Crye Precision LLC or a licensed distributor.

WARRANTY

If a defect in materials or workmanship is found in any of our products, we will repair or replace it, free of charge, for the lifetime of the product. This excludes normal wear and tear. Be aware that the customer is responsible for any and all return shipping charges. This applies to the original purchaser and is nontransferable.

BODY ARMOR

It is against Federal Law for a person convicted of a violent felony to purchase or possess body armor. In addition, various states also have laws restricting the purchase or possession of body armor by persons convicted of certain felonies, other crimes of violence, or drug crimes. By purchasing body armor, you acknowledge and certify that (i) you have no felony convictions, (ii) you have not been convicted of any other crime that would restrict your ability to purchase or possess body armor under any Federal or State law, (iii) you do not intend to use the body armor for any criminal purpose and (iv) you are over 18 years old. Crye Precision reserves the right, in its sole discretion, to refuse to sell body armor to any person. Additionally, the sale of body armor to residents of Connecticut is restricted to in-person sales, unless the sale is made to certain law enforcement or military personnel. We require that all orders of body armor be accompanied by a government issued photo identification.
